Wisconsin Artists and Arts Organizations: Participate in the New COVID-19 Impact Surveys Today! (links below)

Americans for the Arts and Artist Relief

Americans for the Arts and Artist Relief have released new versions of their COVID-19 Impact on the Arts Surveys. The findings will power our collective ongoing advocacy work to ensure the arts are part of the billions of dollars in relief and recovery funding.

We urge all arts and cultural organizations to complete the new **COVID-19 Impact Survey for Organizations**. This revised survey enables us to continue tracking the human and financial impacts of COVID-19 on arts organizations as well as understand the challenges with recovery and re-opening. All types of arts and cultural organizations should participate.

Americans for the Arts and Artist Relief, with support from the Ford Foundation, have launched a new [COVID-19 Impact Survey for Artists](#). This revised survey enables the partners to gauge what is happening to our creative economy and address what is needed to provide relief and spur recovery. All types of creative workers should participate: practicing artists, culture bearers, educators and teaching artists, creative entrepreneurs, and hobby artists). Please share this link with your artist networks. Each week, Americans for the Arts publishes its updated [COVID-10 Research Update](#) that tracks the ongoing human and financial impacts of the COVID-19 crisis on the arts. As the virus continues to rage in our communities, so does its devastation of the nation's arts sector. Cancellations have taken place at virtually every arts organization across the country, 1 in 10 arts businesses doubt their ability to survive, and two-thirds of the nation's artists are now unemployed. Use this weekly update to keep informed.

TIP from SBA: "As the SBA works on building the application platform, it would be in your best interest to register for a DUNS number and then register in the System for Award Management (SAM.gov). Also, gather documents that demonstrate your number of employees and monthly revenues so you can calculate the average

number of qualifying employees you had over the prior 12 months. Lastly, determine the extent of gross earned revenue loss you experienced between 2019 and 2020. This and additional information such as floor plans, contract copies and other evidence will be needed to apply for an SVOG.”
